

The Ranch Hand

Annual Memorial Edition

Volume 42, Number 1 ~ Winter 2022-2023

“Under the guidance of the Catholic Church, provide a safe home for all youth who have experienced physical or emotional trauma, where every act is done with love to help them discover the dignity of the human person and learn the skills to manage life’s challenges.”

Aftercare Services

Submitted by Heather Miller, HOTR Aftercare Specialist

Home On The Range provides aftercare services to youth and families in the state of North Dakota and surrounding areas for up to six months post-discharge. Currently, there are three aftercare specialists who work closely with residents and their families to provide ongoing support and aftercare services when a resident leaves placement and returns to their home and community.

Each discharge plan is unique to the resident, based on their needs. Home On The Range aftercare specialists meet with residents once a month in person to check in on them and their progress, and to help with any needs that may arise in the home. “I have been an aftercare specialist at Home On The Range for almost three years and have seen the need for this program firsthand. Youth and families need this ongoing support and those who engage with an aftercare specialist show more successful transition into the community. I view aftercare services as an extension of the therapeutic services that residents receive while at Home On The Range. One of the difficult things about the aftercare program is the lack of resources in the community. It can be a struggle to connect a youth to a resource that doesn’t exist. My hope is that through this program, communities will be able to see the need and will take the steps in providing more mental health services, support groups, financial support, spiritual guidance, parental support, crisis management services and more.”

Services that Home On The Range provides:

- ~ Make referrals for mental health services
- ~ Assist resident in obtaining gym memberships, photo IDs, bus passes, library cards, etc.
- ~ Connect residents and their families with community resources such as food banks, housing assistance, churches, health care services, homeless shelters, clothing and more.
- ~ Assist families in problem solving and crisis management
- ~ Work with the school to provide support for the resident
- ~ Teach independent living and life skills

How can you support this program?

- ~ You can pray for HOTR residents and their families.
- ~ Financially support HOTR and the Aftercare Program.
- ~ Make Independent Living donations such as: Toiletry items for male & female residents, towels, phone cards (Straight Talk), Walmart gift cards, and more!

Meet our Aftercare Specialists

Heather Miller

“It is very rewarding to offer aftercare services to residents after their discharge from Home On The Range. I also enjoy being a positive adult support for them within their community. I feel that it is important to provide support to the resident and their family in all aspects of their life, whether they are celebrating or experiencing hardships. I hope to make a difference to the success of these young people, even if only in a small way.”

Katelyn Antonsen

“I like being able to see residents after they discharge from Home On The Range because I like to see them grow in their community and make sure that they are safe. I also like being able to provide advocacy and support to youth and their families.”

Jordan Bloomgren

“I love doing aftercare work because it grants me an opportunity to help residents once they return to their communities. The fact that we can help these children and provide support even after discharge is amazing. Helping former residents gives me an opportunity to watch them grow and that is extremely rewarding when we see that the services we provide help them.”

Testimonials from discharged HOTR residents:

“I like receiving aftercare services from HOTR because I had a connection with them when I was in placement. I get to stay in communication and connect with them through monthly visits, zooms, meals, and coffee. I like that they follow up with me to see how I am doing and so they can see my success.” **Brooke - 18**

“Home On The Range is my family. I have spent a lot of time with them and I feel like they support me in my life.” **Zach - 17**

“I’m proud of myself and the changes I have made. I never thought that I would get so much support and help with things after I left HOTR. I am very happy that I went to HOTR.” **Cloe - 16**

“I like talking to my aftercare specialist. I think of him as a good friend in my life. He helps me control my emotions, he makes me laugh, and I like spending time with him. I also like that he takes me to get food.” **Tayshaun - 18**
